book

Official book: Scheaffer, R.L., III, W.M., Ott, D.R.L., Gerow, K.G., 2011. *Elementary Survey Sampling*, 7 edition. ed. Duxbury Press, Boston, MA.

A less elementary (modern) source available online: Thompson, S.K., 2012. *Sampling*, 3 edition. ed. Wiley, Hoboken, N.J.

The Classic: *Sampling Techniques* by Cochran.

Who am I? Who are you?

I'm a statistician who works in a research group in the Dept. of Industrial Engineering.

You have taken at least one university course in statistics. Maybe more than one.
